Snakes of New England and the World

Sunday, June 25th 11:00am-
12:00pm

Live Animal Presentation

Do you wonder what kind of snakes might be living in the woods near your house? Have you ever caught a glimpse of a snake just as it

disappeared into some shrubs and wished for a closer look? Here is your chance to see native and exotic snakes close up.

Rick Roth, local snake expert and Director of the Cape Ann Vernal Pond Team, will share some of his favorite snakes and talk about their lives and habits. Parking is limited; please arrive early.

Co-sponsored by the Cape Ann Vernal Pond Team
